

National Assembly of Pakistan

NA Speaker Sardar Ayaz Sadiq Congratulates Nation on Successful Launch of EO-3 Satellite

Islamabad; April 25, 2026: Speaker National Assembly Sardar Ayaz Sadiq has congratulated the nation, along with scientists and engineers, on the successful launch of the EO-3 satellite. He described the achievement as a significant milestone in Pakistan's scientific and technological advancement.

He commended the dedication, hard work, and professional expertise of SUPARCO's scientists who contributed to the development of the satellite.

The Speaker highlighted that the satellite will play an important role in earth observation, environmental protection, disaster management, and improved urban planning across the country.

Speaker Sardar Ayaz Sadiq emphasized that this success reflects Pakistan's growing self-reliance and progress in modern technology. He also appreciated China's valuable cooperation in the mission and expressed pride in the long-standing friendship between Pakistan and China, noting that continued collaboration in science and technology is further strengthening bilateral ties.
